CUSTOMER TESTIMONIALS

“

Datamatics is a key partner in our journey. They have helped us scale by learning our processes and this is what sets Datamatics apart. Datamatics will continue to be our valued partner going forward in our digital transformation journey.

David Friedman

Head of Intelligent Automation Centre of Excellence, Ryder Systems

“

Accounts Payable automation at Gate Gourmet is a result of robust planning, process review and execution. We thank Datamatics for being a partner in this journey with committed individuals, tools and technology platform.

Som Venkatanarayan

Controller, Gate Gourmet North America

“

Datamatics has a unique ability to find us the right results at the right time and have adapted to our needs. We have also challenged them in quite a lot of different ways and they have been able to react to us very rapidly. We never had to struggle with them in terms of getting people on board in a timely fashion.

”

Graham Fisher

Head, IT – BUPA

“

Datamatics was very agile and proactive in their approach and worked as an extended team of Harris Teeter. Datamatics helped us in our Digital Transformation journey by enabling us to go Deep in Digital with its solutions.

”

Stephen Ramsey

Sr. Director, Information Services, Harris Teeter

“

Datamatics has been able to jump through loops to help us decide on the new TVM and we are excited about it.

”
