UPDATE: (JNP)

Jawaharlal Nehru Port becomes first 100% Landlord Major Port of India

The PPP mode of investment in Indian ports has made a remarkable progress in the last 25 years, beginning from the Jawaharlal Nehru Port (JNP), resulting in the capacity addition and productivity improvement. Now, JNP has become the first major port of the country to become 100% Landlord port having all berths being operated on PPP model. JNP is one of the leading container ports of the country and is ranked 26th among the top 100 global ports (as per Lloyds List Top 100 Ports 2021 Report). Currently, five container terminals are operated at JNP, of which only one is port owned.

The Jawaharlal Nehru Port Container Terminal (JNPCT) has 2 berths with total length of 680m and 15m draft which will be handed over under this PPP contract along with backup area of 54.74 hectares for 30 years. JNPCT is presently handling 9000 TEUs capacity vessels and with the upgradation it can handle 12200 TEUs capacity vessels. It is also proposed to increase the RMQC rail span from 20 meters to 30.5 meters at the port. Investment for this project will be carried out by the concessioner at a total cost of Rs. 872 crores. The concessioner has to upgrade, operate, maintain and transfer this terminal on PPP basis. This project will be implemented in 2 phases. The Project received overwhelming response from 11 investors having both domestic and international presence. PPP is considered as an effective tool for attracting the investment in the port sector. Until now 86 projects worth Rs. 55,000 Crores have been granted approval under PPP. With the cargo volume expected to increase between 1.7 to 2 times (of 2020) by 2030, the percentage of cargo handled at Major Ports by PPP or other operators, is expected to reach 85% by year 2030. Each passing year is a milestone to achieve this goal. To achieve this goal, MoPSW has already identified a project pipeline up to FY 2025 with 13 projects, for FY 2022 (Rs. 6954 Crores) already approved by the MoPSW followed by 24 projects of value ~Rs. 12,550 targeted for award in FY 2023. Further, 44 projects of value ~Rs. 23,000 crore are scheduled for award in FY 2024 and FY 2025.
