DATAMATICS

Datamatics Adjudged as Forbes Asia 200 Best Under A Billion Companies 2023

Datamatics is amongst the top 1% of 20,000 listed companies across Asia, with an exceptional record of quantitative and qualitative corporate performance.

22nd November 2023, Mumbai: Datamatics Global Services Ltd., a leading global Digital Technologies, Operations, and Experiences company, today announced that Forbes, a renowned international business publication, recognized Datamatics in Asia's 200 Best Under a Billion Companies 2023 list.

Forbes has curated the list of 200 companies with a corporate performance track record from over 20,000 publicly traded companies in Asia-Pacific. Datamatics was included in the list owing to its excellent performance in measures such as revenues, earnings-per-share growth over the most recent fiscal one- and three-year periods, one- and five-year average returns on year, and a steadfast commitment to exemplary corporate governance practices.

Rahul Kanodia, Vice Chairman & CEO, Datamatics Global Services Ltd., said, "We are happy to be in Forbes Asia's prestigious list of the top 1% of 20,000 listed companies in Asia. It is a recognition to our outstanding corporate performance over the years by enabling enterprises go deep in digital to create operational efficiency, superior customer experience and a sustainable competitive advantage. I take this opportunity to thank all our stakeholders, including employees, customers and shareholders, for being an integral part of our journey."

Sameer Kanodia, Managing Director & CEO, Lumina Datamatics and Director, Datamatics Global Services Ltd, while accepting the award at the ceremony held in Manila, Philippines, expressed "We take great pride in Datamatics being recognised as Forbes Asia 200 Best under a Billion Companies 2023. It is a testament to Datamatics' dedication to innovation, growth and corporate governance. We will continue to reinforce our commitment to enhancing value for all our stakeholders and maintaining the highest standards of corporate performance." He further added, "On behalf of Lumina Datamatics, we are excited to significantly contribute to the overall Datamatics growth journey."
