

Limited Review Report

To,
The Board of Directors of Datamatics Global Services Limited ("Company")

1. We have reviewed the accompanying statement of unaudited standalone financial results of **DATAMATICS GLOBAL SERVICES LIMITED ("Company")** for the quarter and nine months ended December 31, 2016 (the 'Statement'), attached herewith, being submitted by the Company pursuant to Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. This statement which is the responsibility of the Company's management and has been approved by Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information performed by Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. The Company has an investment of Rs. 646.30 million in two of its wholly owned subsidiaries and also extended loans and advances of Rs. 1.91 million to these subsidiaries as on December 31, 2016. The net worth of these subsidiaries has declined. We are given to understand that these investments are for long term and of strategic in nature and the management is confident of turning around the subsidiaries in the near future. In view of this, we are unable to comment on whether provision if any, for the diminution in the value of investments is required to be made.
4. During the Financial Year 2015-16, Datamatics Global Services GmbH, a subsidiary company has filed for voluntary winding up / liquidation / de-registration procedure. As informed to us, the procedure generally takes at least a year and Subsidiary Company along with its subsidiary is currently carrying on its operations prior to closing as contractually/statutorily required. The Company has already made provision for diminution in value of investment to the tune of Rs. 65.66 million. As per the management, further provision will be made once the net realizable assets will be ascertained. In view of this, the said investment has been stated at cost net of provision (i.e. Rs. 130.29 million) as at December 31, 2016.
5. Based on our review conducted and read together with paragraph 3 and 4 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
