INDEPENDENT AUDITORS' REPORT

To the Members of LUMINA DATAMATICS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the Standalone Financial Statements of **LUMINA DATAMATICS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash flows for the year then ended, and notes to the Standalone Financial Statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view, in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its net profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements Section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No.	Key Audit Matter	Response To Key Audit Matter
1	Transactions with Related Parties The company has material related party transactions during the year. Related party transactions impose limitations on the auditor's ability to obtain audit evidence that all other aspects of related party transactions (other than price) are equivalent to those of a similar arm's length transaction. Further the nature and complexity of such transactions and the involvement of management with respect to the roles and responsibilities of the entities involved in the transactions, makes it subjective.	Principal Audit Procedures Our audit procedures on transactions with related parties included the following: • We obtained a comfort letter issued by the independent professional who is in charge of Transfer Pricing matters of the Company which states that the transactions are conducted at arm's length price. • We also reviewed the income tax assessments of earlier years to corroborate whether the methodology adopted by the Company has been accepted by the income tax authorities in previous years. • We also compared the pricing model and other terms of the current agreements with agreements of the previous years.

Other Information

The Company's Management and the Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the Standalone Financial Statements and our auditors' report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those charged with Governance for the Standalone Financial Statements

The Company's management and the Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, the financial performance, the changes in equity and the cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS).

specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Standalone Financial Statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Standalone Financial Statements have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Standalone Financial Statements.
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Account) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2026 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements (Refer Note 35 of the Standalone Financial Statement)
 - ii. The Company did not have any material foreseeable losses on long-term contracts including derivatives contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.
 - iv. a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 - b. The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
 - c. Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv) (a) and (b) contain any material mis-statement.

V. The dividend declared or paid during the year by the Company is in compliance with Section 123 of the Act.

VI. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, we did not come across any instance of the audit trail feature being tampered with. However, the feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes for the accounting software used for maintaining the books of account relating to payroll and invoice generation.

ANNEXURE A TO THE AUDITOR'S REPORT

Referred to in paragraph 1 of 'Report on other Legal and Regulatory Requirements' in our Report of even date on the accounts of LUMINA DATAMATICS LIMITED for the year ended March 31, 2026:

- i. (a) (A) The Company is maintaining proper records showing full particulars including quantitative details and situation of Property, plant and equipment.

(B) The Company has maintained proper records showing full particulars of Intangible assets.
- (b) The fixed assets of the company are physically verified by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification during the year.
- (c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered transfer deed provided to us, we report that, in respect of immovable properties of premises that have been taken on lease and disclosed as fixed assets in the financial statement, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, plant and equipment (including Right-of use assets) or Intangible assets or both during the year.
- (e) According to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- ii. The Company's nature of operations does not require it to hold inventories. Consequently, clause 3(ii) of the Order is not applicable.
- iii. The Company has not made any investments, provided any guarantees or security or granted any loans or advances in the nature of loans to any company, firm, Limited Liability Partnership or other party during the year. Accordingly, reporting under clauses 3(iii)(a) to 3(iii)(f) of the Order is not applicable.
- iv. The Company has complied with provisions of Section 186 of the Companies Act, 2013 in respect of investments made and Section 185 of the Companies Act, 2013 is not applicable as there were no such loans, securities or guarantees provided during the year.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the rules framed there under to the extent notified and therefore clause (v) of the Order is not applicable.
- vi. The Central Government has not prescribed the maintenance of cost records under sub-Section (1) of Section 148 of the Act, for any of the products of the Company.
- vii. (a) The Company is regular in depositing with appropriate authorities undischarged statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Customs Duty, Cess, Goods & Service Tax and any other material statutory dues.

applicable to it and there were no arrears as at March 31, 2026 for a period of more than six months from the date they became payable.

- (b) As informed to us, there were no disputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, GST, Custom Duty, Value Added Tax, Cess and any other material statutory dues in arrears, as at March 31, 2026 except as stated below:

Sr. No.	Name of the Statute	Nature of the dues	Assessment Year	Forum where the dues is pending	Rs. In Lakhs
1	Income Tax Act, 1961	Income Tax	AY 2018-19	Commissioner of Income tax (appeals)	127.13
2	Income Tax Act, 1961	Income Tax	AY 2020-21	Commissioner of Income tax (appeals)	444.93
3	Income Tax Act, 1961	Income Tax	AY 2024-25	Commissioner of Income tax (appeals)	11.57
4	Income Tax Act, 1961	Income Tax	AY 2023-24	Commissioner of Income tax (appeals)	87.68
5	Central Goods and Services Tax Act, 2017	GST	FY 2017-18	GST Appellate Authority	63.01

viii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in tax assessments under the Income tax Act, 1961 as income during the year.

ix. (a) According to the records of the Company examined by us and information and explanation given to us, the Company has not defaulted in repayment of loan and interest thereon obtained from Financial institution.

(b) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.

(c) According to the information and explanations given to us by the management, the Company has applied the term loan for the purpose for which the loan was obtained.

(d) According to the information and explanation given to us and on an overall examination of the balance sheet of the Company, we report that no funds have been raised for short term purpose. Accordingly, clause 3(ix)(d) of the Order is not applicable.

- (e) According to the information and explanation given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.
- (f) According to the information and explanation given to us and procedures performed by us, we report that the Company has raised a term loan amounting to Rs. 1500 lakhs during the year on the pledge of securities held in its subsidiary. The said loan was sourced for acquisition of the subsidiary and the scheduled repayment began from current year. The company has not defaulted in payment of interest on the said loan.
- x. (a) The Company has not raised any money by way of public issue/ further offer (including debt instruments) during the year. Accordingly, clause 3 (x)(a) of the order is not applicable to the Company.
- (b) According to the information and explanation given to us and on the basis of our examinations of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- xi. (a) Based upon the audit procedures performed and information and explanation given by the management, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the year.
- (b) According to the information and explanations given to us, no report under Section 143 (12) of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) There were no whistle blower complaints received by the Company during the year. Accordingly, clause 3(xi)(c) of the Order is not applicable.
- xii. In our opinion and according to the information and explanations given to us, the nature of the activities of the company does not attract any special statute applicable to Nidhi Company. Accordingly, clause 3(xii) of the order is not applicable to the company.
- xiii. According to the information and explanation given to us, and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sec 177 and 188 of Companies Act, 2013 where applicable and details of such transactions have been disclosed in the Standalone Financial Statements as required by the applicable accounting standards.
- xiv. (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till date for the period under audit.

- xv. In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, clause 3 (xv) of the Order is not applicable to the Company.
- xvi. (a) The company is not required to be registered under Sec 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3 (xvi) (a) of the Order is not applicable to the Company.
- (b) The company is not required to be registered under Sec 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3 (xvi) (b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations is made by the Reserve Bank of India. Accordingly, clause 3 (xvi) (c) of the Order is not applicable to the Company.
- (d) According to the information and explanations provided to us during the course of audit, the Group does not have any CIC. Accordingly, clause 3 (xvi)(d) of the Order is not applicable to the Company.
- xvii. The Company has not incurred cash losses in the current year as well as in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year. Accordingly, clause 3 (xviii) of the Order is not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. In our opinion and according to the information and explanations given to us, there is no unspent amount under section 135 (5) of the Companies Act, 2013 pursuant to any project or otherwise. Accordingly, clauses 3(xx) (a) and 3(xx) (b) of the Order are not applicable.

ANNEXURE B TO THE AUDITORS' REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

(Referred to in paragraph 2(f) of 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls over financial reporting of **Lumina Datamatics Limited** ("the Company") as of March 31, 2026 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Lumina Datamatics Limited
Notes to Standalone Financial Statements

Note 1: Significant accounting policies

a) Company Overview

Lumina Datamatics Limited ('the Company') having CIN U22220MH2007PLC322853 was incorporated on November 26, 2007 and is engaged in the business of e-commerce, e-retail and e-publishing services which mainly include editorial services, composition services, media and related services.

b) Significant Accounting Policies

i) Basis of Preparation of Financial Statements:

Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (IndAS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- * Certain financial assets and liabilities (including derivative instruments) which is measured at fair value;
- * Defined benefit plans – plan assets measured at fair value

c) Use of Estimates

The preparation of financial statements in conformity with the generally accepted accounting principles require estimates and assumptions to be made that affect the reported amounts of the assets and liabilities on the date of financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognised in the year in which the results are known / materialized.

d) Foreign currency translation

i) Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

ii) Transactions and balances

Transactions in foreign currency are recorded at the rates of exchange prevailing at the date of the transactions. Monetary items denominated in foreign currencies at the balance sheet date are translated at the exchange rates prevailing at the balance sheet date. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

Any income or expense on account of exchange difference either on settlement or on translation at the balance sheet date is recognised in the Statement of Profit and Loss in the year in which it arises.

e) Revenue recognition

Revenue from technical and software services is recognized on a time and material basis when services are rendered and related costs are incurred. Revenue is recognized when it is earned and no significant uncertainty exists as to its ultimate realization or collection

f) Income tax

Tax expense comprise of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act.

Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

At each balance sheet date unrecognized deferred tax assets are re-assessed. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

g) Leases

As a lessee

Ind AS 116 The Company is complying with Ind AS 116 for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

Lumina Datamatics Limited
Notes to Standalone Financial Statements

h) Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into cash and have original maturities of three months or less from date of purchase to be cash equivalents.

i) Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

j) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

k) Inventories

Inventory, if any, is valued at cost (arrived on FIFO basis) or net realizable value, whichever is lower. Custom Duty on the goods where title has passed to the Company is included in the value of inventory.

l) Investments and other financial assets

i) Classification

The company classifies its financial assets in the following measurement categories:

- * Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- * Those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The company reclassifies debt investments when and only when its business model for managing those assets changes.

ii) Measurement

At initial recognition, the company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Debt instruments

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the group classifies its debt instruments:

***Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

***Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.

*** Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Lumina Datamatics Limited
Notes to Standalone Financial Statements

Equity instruments

The company subsequently measures all equity investments at fair value (except investment in joint venture and subsidiaries which is valued at amortised cost). Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/(losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

iii) Impairment of financial assets

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 28 details how the company determines whether there has been a significant increase in credit risk.

For trade receivables only, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

iv) Derecognition of financial assets

A financial asset is derecognised only when

- * The company has transferred the rights to receive cash flows from the financial asset or
- * Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

m) Income recognition

Interest income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the company, and the amount of the dividend can be measured reliably.

n) Derivatives and hedging activities

The Company uses foreign currency forward contracts to hedge its risks associated with foreign currency fluctuations relating to certain firm commitments and forecasted transactions. Such forward contracts are utilised against the inflow of funds under firm commitments. The Company does not use the forward contract for speculative purposes. The Company designates these hedging instruments as cash flow hedge. The use of hedging instruments is governed by the Company's policies approved by the Board of Directors, which provide written principles on the use of such financial derivatives consistent with the Company's risk management strategy.

Hedging instruments are initially measured at fair value and are remeasured at subsequent reporting dates. Changes in the fair value of these derivatives that are designated and effective as hedges of future cash flows are recognised directly in OCI and the ineffective portion is recognised immediately in the Statement of Profit and Loss.

Changes in the fair value of derivative financial instruments that do not qualify for hedge accounting are recognised in the Statement of Profit and Loss as they arise.

The fair value of derivative financial instruments is determined based on observable market inputs including currency spot and forward rates, yield curves, currency volatility etc.

Lumina Datamatics Limited
Notes to Standalone Financial Statements

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated or exercised or no longer qualifies for hedge accounting. At that time for forecasted transactions, any cumulative gain or loss on the hedging instrument recognised in OCI is retained until the forecasted transaction occurs. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognised in Shareholders' Funds is transferred to the Statement of Profit and Loss for the year.

o) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the company or the counterparty.

p) Property, plant and equipment

Property, plant and equipment's are valued at cost after reducing accumulated depreciation until the date of the balance sheet. Direct costs are capitalised until the assets are ready to use and include financing costs relating to any specific borrowing attributable to the acquisition of fixed assets. Intangible assets are recognised, only if it is probable that the future economic benefits that are attributable to the assets will flow to the enterprise and the cost of the assets can be measured reliably. Capital work-in-progress includes assets not put to use before the year end.

Transition to Ind AS

On transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant and equipment is provided on the Straight Line Method as per the useful life and in the manner prescribed in Schedule II to Companies Act, 2013.

q) Intangible assets

i) Goodwill

Goodwill on merger of subsidiaries is included in intangible assets. Goodwill is not amortised but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses.

Goodwill is allocated to cash-generating units for the purpose of impairment testing. The allocation is made to those cash-generating units or groups of cash-generating units that are expected to benefit from the business combination in which the goodwill arose. The units or groups of units are identified at the lowest level at which goodwill is monitored for internal management purposes, which in our case are the operating segments.

ii) Computer software

The intangible assets are recorded at cost and are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Directly attributable costs that are capitalised as part of the software include employee costs and an appropriate portion of relevant overheads.

Capitalised development costs are recorded as intangible assets and amortised from the point at which the asset is available for use.

iii) Amortisation methods and periods

The company amortises intangible assets with a finite useful life using the straight-line method over a period of 3 years.

r) Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

s) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Lumina Datamatics Limited
Notes to Standalone Financial Statements

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

Where the terms of a financial liability are renegotiated and the entity issues equity instruments to a creditor to extinguish all or part of the liability (debt for equity swap), a gain or loss is recognised in profit or loss, which is measured as the difference between the carrying amount of the financial liability and the fair value of the equity instruments issued.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

t) Borrowing costs

Borrowing costs, which are directly attributable to the acquisition, construction or production of a qualifying assets are capitalised as a part of the cost of the assets. Other borrowing costs are recognised as expenses in the year in which they are incurred.

In the case of foreign currency borrowings taken for non-qualifying purposes, such as working capital, the difference between the cost of borrowing at the foreign interest rate and the notional cost of a comparable borrowing in Indian Rupees is treated as borrowing cost and is charged to the Statement of Profit and Loss, in accordance with Ind AS 23.

u) Provision, Contingent Liabilities and Contingent Assets

The Company recognises a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for contingent liability is made when there is possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect current best estimates.

Contingent Assets are neither recognised nor disclosed.

v) Employee benefits

i) Defined Contribution Plan

Contribution to defined contribution plans are recognised as expense in the Statement of Profit and Loss, as they are incurred.

ii) Defined Benefit Plan

Company's liabilities towards gratuity and leave encashment are determined using the projected unit credit method as at Balance Sheet date. Actuarial gains / losses are recognised immediately in the Statement of Profit and Loss. Long-term compensated absences are provided for based on actuarial valuation.

iii) Restricted Stock

Employee Compensation in the form of stock options, granted under LDL RSU Plan 2016 & LDL Phantom Stock Appreciation Plan 2021 have been charged to Profit & Loss Statement, based on fair value method, over the vesting period.

w) Contributed equity

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

x) Earnings per share

In determining Earnings per Share, the Company considers the net profit after tax after reducing the preference dividend and tax thereon and includes the post-tax effect of any extra-ordinary items. The number of shares used in computing basic Earnings per Share is the weighted average number of shares outstanding during the period. The number of shares used in computing diluted Earnings per Share comprises the weighted average shares considered for deriving basic Earnings per Share and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares.

i) **Fair value hierarchy**

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Financial assets and liabilities measured at fair value as at March 31, 2026	Level 1	Level 2	Level 3	Total
Financial assets				
Financial Investments at FVTPL				
Mutual funds	5,445.71	-	-	5,445.71
ETF	202.81	-	-	202.81
Equity instruments	-	-	190.00	190.00
Preference shares	-	465.96	-	465.96
Debenture	3,036.96	-	-	3,036.96
Total financial assets	8,685.48	465.96	190.00	9,341.44

Assets and liabilities which are measured at amortised cost as at March 31, 2026	Level 1	Level 2	Level 3	Total
Financial assets				
- Equity instruments	-	-	62,384.11	62,384.11
- Debentures	-	-	618.36	618.36
Trade receivables	-	-	1,927.71	1,927.71
-Unbilled revenue	-	-	2,250.71	2,250.71
Cash and cash equivalents	-	-	854.81	854.81
Term deposits with financial institutions	-	-	1,000.00	1,000.00
Interest accrued	-	-	235.73	235.73
Security deposit	-	-	629.70	629.70
Loan to Employees	-	-	4.13	4.13
Other deposit -CD	-	-	3.52	3.52
Other receivables	-	-	6.54	6.54
Total financial assets	-	-	69,915.32	69,915.32

Financial Investments at FVOCI				
Fair value of outstanding forward contracts	19.60	-	-	19.60
Total financial liabilities	19.60	-	17,577.70	17,597.30

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

* The use of quoted market prices or dealer quotes for similar instruments

All of the resulting fair value estimates are included in level 2 except for unlisted equity securities, contingent consideration and indemnification asset, where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

iii) Valuation processes

The carrying amounts of trade receivables, trade payables, capital creditors and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

Note 29: Financial risk management

The company's activities exposes it to market risk, liquidity risk and credit risk. In order to minimise any adverse effects on the financial performance of the company, derivative financial instruments, such as foreign exchange forward contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables and financial assets.	Aging analysis Credit ratings	Diversification of bank deposits, credit limits and letters of credit
Liquidity risk	Borrowings and Trade payable	Maturity analysis, cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk – foreign exchange	Import Payables and Receivables on Indenting services.	Cash flow forecasting Sensitivity analysis	Forward foreign exchange contracts
Market risk – Interest Rate Risk	Fluctuating interest rates on various loans taken from banks and others	Interest Expense review and sensitivity analysis.	Treasure performs a comprehensive corporate interest rate risk
Market risk – security prices	Investments in equity securities, Mutual Funds, Debentures, Fixed deposits	Sensitivity analysis	Portfolio diversification

The Board provides guiding principles for overall risk management, as well as policies covering specific areas such as credit risk, liquidity risk, and Foreign Exchange Risk effecting business operations. The company's risk management is carried out by the management as per guidelines and policies approved by the Board

A) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses the direct risk of default, risk of deterioration of creditworthiness as well as concentration risks. The Company is exposed to credit risk from its operating activities (primarily trade receivables), deposits with banks and loans given.

Credit risk management

The company's credit risk mainly from trade receivables as these are typically unsecured. This credit risk has always been managed through credit approvals, establishing credit limits and continuous monitoring the creditworthiness of customers to whom credit is extended in the normal course of business. The Company estimates the expected credit loss based on past data, available information on public domain and experience. Expected credit losses of financial assets receivable are estimated based on historical data of the Company. The company has provisioning policy for expected credit losses. There is no credit risk in bank deposits which are demand deposits. The credit risk is minimum in case of entity to whom loan has been given.

The maximum exposure to credit risk as at March 31,2025 and March 31,2024 is the carrying value of such trade receivables as shown in note 8 of the financials.

Movement of loss allowance provision – Trade receivables

Particulars	(Rs. In Lakhs)
Loss allowance on March 31, 2024	114.09
Creation/(reversal) of provision for ECL	-
Loss allowance on March 31, 2025	114.09
Creation/(reversal) of provision for ECL	(87.00)
Loss allowance on March 31, 2026	27.09

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, company treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the company's liquidity position and cash and cash equivalents on the basis of expected cash flows. In addition, the company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

C) Market risk

i) Foreign currency risk

The company operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD, EUR and GBP. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the company's functional currency (INR). The risk is measured through a forecast of highly probable foreign currency cash flows. The objective of the hedges is to minimise the volatility of the INR cash flows of highly probable forecast transactions.

The company's risk management policy is to hedge around 70 % to 75% of forecasted receivables for the subsequent 24 months.

a) Foreign currency risk exposure:

Details of foreign currency exposures not covered by derivative instruments as at March 31, 2026 and March 31, 2025 are given below :

Particular	Currency	March 31, 2026		March 31, 2025	
		Foreign Currency	Indian Rupees (in lacs)	Foreign Currency	Indian Rupees (in lacs)
Receivables	USD	30,46,409.46	2,887.39	16,20,172.57	1,384.28
	EUR	1,01,529.57	110.61	63,654.00	58.61
	GBP	6,25,322.57	782.59	3,12,873.52	345.73
	AUD	3,83,389.90	249.28	2,03,963.00	109.73
	SGD	58,295.48	42.98	15,943.13	10.15
	MYR	1,442.28	0.34	-	-
Payables	GBP	72,000.00	90.11	42,000.00	46.41

b) Sensitivity

The Company is mainly exposed to changes in USD, GBP and AUD. The sensitivity analysis demonstrate a reasonably possible change in multiple currency exchange rates, with all other variables held constant. 5% appreciation/depreciation of foreign currency with respect to functional currency of the company will have impact of following (decrease)/increase in Profit & vice versa.

(Rs. In Lakhs)		
Particulars	March 31, 2026	March 31, 2025
USD	144.37	69.21
AUD	12.46	5.49
SGD	2.15	0.51
MYR	0.02	-
GBP	34.62	14.97
EUR	5.53	2.93

* Holding all other variables constant

ii) Cash flow and fair value interest rate risk

The company's main interest rate risk arises from long-term borrowings with variable rates, which expose the company to cash flow interest rate risk. company policy is to maintain most of its borrowings at fixed rate using interest rate swaps to achieve this when necessary. During March 31, 2025 and March 31, 2026, the company's borrowings at variable rate were mainly denominated in INR and USD.

The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Lumina Datamatics Limited
Notes to Standalone Financial Statements
(All figures in Rs. Lakhs unless otherwise stated)

a) Interest rate risk exposure

(Rs. In Lakhs)		
Particulars	March 31, 2026	March 31, 2025
Variable rate borrowings	13,750.00	15,000.00
Fixed rate borrowings	-	-
Total borrowings	13,750.00	15,000.00

As at the end of the reporting period, the company had the following variable rate borrowings outstanding: (Rs. In Lakhs)

	March 31, 2026			March 31, 2025		
	Weighted average interest rate %	Balance	% of total loans	Weighted average interest rate %	Balance	% of total loans
Working Capital Demand Loan	8.05%	13,750.00	100%	9.12%	15,000.00	100%

b) Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates. Other components of equity change as a result of an increase/decrease in the fair value of the cash flow hedges related to borrowings.

	Impact on profit after tax	
	March 31, 2026	March 31, 2025
Interest rates – increase by 70 basis points (70 bps) *	(96.25)	(105.00)
Interest rates – decrease by 70 basis points (70 bps) *	96.25	105.00

* Holding all other variables constant

ii) Price risk

a) Exposure

The company's exposure to equity securities price risk arises from investments held by the company and classified in the balance sheet either as fair value through OCI or at fair value through profit or loss.

To manage its price risk arising from investments in equity securities, the company diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the company.

All of the company's equity investments are publicly traded.

Note 30: Capital management

Note 32: Leases**Company as a lessee**

As a lessee, the Company previously classified leases as operating or finance leases based on its assessment of whether the lease transferred significantly all of the risks and rewards incidental to ownership of the underlying asset to the Company. Under Ind AS 116, the Company recognizes right of use assets and lease liabilities for most leases i.e. these leases are on balance sheet.

The following table presents the various components of lease costs:

Particulars	March 31, 2026	March 31, 2025
Depreciation charge on right-to-use asset	1,088.48	577.49
Interest on Lease Liabilities	175.50	91.66
Net total cash outflow for leases	1,134.19	670.46
Carrying amount of right-to-use asset	2,504.13	979.69

Net total cash outflow for leases for the year ended March 31, 2026

Particulars	March 31, 2026	March 31, 2025
Total cash outflow for leases	1,134.19	670.46

Note 33: Earnings per share

	Particulars	March 31, 2026	March 31, 2025

Note 34: Employee benefits

The disclosure as required by Ind AS 19 on "Employee Benefits" are given below:

The present value of gratuity obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation of leave benefits (unfunded) is also recognised using the projected unit credit method.

a) Defined Contribution Plan	March 31, 2026	March 31, 2025
Charge to the Statement of Profit and Loss based on contributions:

c) LDL PHANTOM STOCK APPRECIATION PLAN 2021

- i) The Company has granted "Phantom Stock Units" under "LDL Phantom Stock Appreciation Plan 2021". Subsequently during the financial year ended March 31, 2023, the Company executed an further agreement to the plan to include additional eligible employees. Additional phantom SARs were granted under this addendum, with base values determined based on the fair value of the Company's shares.

All other terms, including vesting period, settlement method, and forfeiture conditions, remained consistent with the original Plan. The plan shall extend to certain employees as identified by the Board/ Nomination and Remuneration Committee, being the permanent employees of the Company including its Subsidiaries and its directors subject to certain vesting conditions. Phantom units shall vest at the end of 3 years from the date of grant and based upon satisfaction of the performance criteria. The continuation of employee in the services of the Company shall be the primary requirement of the vesting. Details of the outstanding units as at March 31, 2025 of Lumina Datamatics Limited are given below:

Particulars	2021-22	2022-23	2023-24	2024-25	2025-26
Phantom stock options plan					
Total no. of units/shares	22,000	35,000	48,460	47,140	-

	Total	222.16	237.28

Note 39: Corporate Social Responsibility

As per Section 135 of the Companies Act, 2013, a company, meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. The areas for CSR activities are eradication of hunger and malnutrition, promoting education, art and culture, healthcare, destitute care and rehabilitation, environment sustainability, disaster relief, COVID-19 relief and rural development projects. The disclosure in respect of CSR expenditure is as below:

S.no	Particular	March 31, 2026	March 31, 2025
a)	Gross amount required to be spent by the Company during the year	129.67	123.46
b)	Amount spent during the year (including last year prepaid CSR)	180.19	173.46
c)	Amount committed towards ongoing projects	Nil	Nil
d)	Carried forward to next year	(50.52)	(50.00)
e)	Nature of CSR activities	Skilling Employment, Health & Sanitation & Educational Institution	Skilling Employment, Health & Sanitation & Educational Institution

Note 40: International and domestic transfer pricing

The Management is of the opinion that its international and domestic transactions are at arm's length as per the independent accountants report for the year ended March 31, 2026. The Management continues to believe that its international transactions and the specified domestic transactions during the current financial year are at arm's length and that the transfer pricing legislation will not have any impact on these financial statements, particularly on amount of tax expense and that of provision for taxation.

Note 41: As per Companies (Accounting Standards) Rules, 2013 issued by the Central Government, in consultation with National Advisory Committee on Accounting Standards (NACAS) and the relevant provisions of the Companies Act, 2013, to the extent applicable, the carrying value of the asset has been reviewed for impairment of assets and there is no impairment of assets.

Note 42: Micro, Small and Medium Enterprises

In terms of Section 22 of the Micro, Small and Medium Enterprises Development Act 2006, the outstanding to these enterprises are required to be disclosed. However, these enterprises are required to be registered under the Act. The dues outstanding towards MSME are disclosed under Note 17.

Note 43: The Company operates in only one business segment, e-publishing services which mainly include editorial services, composition services, media and related services. All assets, liabilities, revenue and expenses are related to their one-segment activities.

(All figures in Rs. Lakhs unless otherwise stated)

Note 44: Crypto or Virtual Currency

The Company has neither traded nor invested in crypto currency or virtual currency during the year.

Note 45: Effective 21st November, 2025, The Government of India has consolidated multiple existing labour legislations into a unified framework comprising four Labour Codes collectively referred to as the 'New Labour Codes'. The Company has assessed the financial implications of these changes which has resulted in increase in gratuity liability arising out of past service cost and increase in leave liability by Rs. 689.61 Lakhs primarily arising due to change in the definition of "wages" for employees and contract labours. Considering the materiality and non-recurring nature of this impact, the Company has presented such incremental impact under "Exceptional item" for the year ended 31st March, 2026

Note 46: Exceptional item

(i) During the year ended March 31, 2025 in October, the wholly-owned subsidiary company Lumina Datamatics Inc bought back 130 units from the Company. The buyback resulted into a capital loss of INR 421.30 lakhs and exchange gain of INR 3984.25 lakhs.

(ii) During the year ended March 31, 2025, the Company incurred professional fees amounting to ₹515 lakhs in connection with the acquisition of TNQ Tech Private Limited. This amount has been presented as an exceptional item in the Statement of Profit and Loss for the current year.

Note 47: Benami Property

No proceeding has been initiated or pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

Note 48

Events occurring after Balance Sheet date

Dividend

The Board of Directors of Lumina Datamatics Limited at their meeting held on May 19, 2026 has recommended, subject to approval of shareholders, final dividend of Rs. 5/- per equity share for the financial year ended March 31, 2026.

Note 49: Note on Acquisition of TNQ tech Pvt Ltd.

On December 9, 2024, the Board of Directors of Lumina Datamatics Limited ("the Company") approved the acquisition of a majority stake in TNQ Tech Private Limited ("TNQ") through a Share Purchase Agreement ("SPA") and a Shareholders Agreement.

Pursuant to the terms of the agreements, the Company acquired 80% of the paid-up share capital of TNQ, a private limited company headquartered in Chennai, Tamil Nadu. TNQ is engaged in providing technology solutions that enhance scholarly publishing processes and offers comprehensive end-to-end services for scholarly content. The total consideration paid for the acquisition of the 80% stake amounted to ₹34,810 Lakhs.

In accordance with the SPA, the Company is expecting to exercise its rights to acquire the remaining 20% equity stake in TNQ on or before July 31, 2026, subject to the terms, conditions and valuation methodology prescribed therein. Accordingly, in the previous year, the Company had recognised a forward liability amounting to Rs. 16,000 Lakhs towards the acquisition of the remaining stake.

During the year, the Company fair valued the aforesaid forward liability as per terms of the SPA and Ind AS requirement. The resulting increase in fair value liability of ₹4,680 lakhs has been recognised as an Exceptional Item in the Statement of Profit and Loss as per the requirement of Ind AS 109.

Note 50: Revenue from contract with major customers

More than 75% of the company's total revenue has been received from its wholly owned subsidiary i.e. Lumina Datamatics Inc. and Lumina Datamatics GMBH during the year ended March 31, 2026 and March 31, 2025. Revenue recognised during the year from the above mentioned subsidiaries is Rs 26,459.20 Lakhs (PY Rs 22,558.36 Lakhs) and unbilled revenue as at year end is Rs. 2178.25 Lakhs (PY Rs 928.99 Lakhs). This revenue is generally recognised over the period. While disclosing the aggregate amount of transaction price yet to be recognised as revenue towards unsatisfied (or partially satisfied) performance obligations, along with the broad time band for the expected time to recognise those revenues, the Company has applied the practical expedient in Ind AS 115. Accordingly, the Company has not disclosed the aggregate transaction price allocated to unsatisfied (or partially satisfied) performance obligations which pertain to contracts where revenue recognised corresponds to the value transferred to customer typically involving time and material, outcome based and event-based contracts.
