

LET'S REDEFINE EXAMS TOGETHER

Where safety, innovation, and human empowerment come together to create better testing experiences.

Our proctoring solutions cover the full exam lifecycle—offering live proctoring with real-time expert monitoring, recorded proctoring for post-exam reviews, remote proctoring for flexible scheduling, and event proctoring for global, high-volume needs—supported by 24/7 candidate assistance, audit and process reviews to resolve inefficiencies, AI platform integration for security and scalability, and workflow optimization to ensure seamless interoperability from registration through compliance.
