

DATAMATICS

“Datamatics is happy to be in Forbes Asia's prestigious list of the top 1% of 20,000 listed companies in Asia”

Rahul Kanodia

Vice Chairman & CEO, Datamatics

Datamatics Adjudged as Forbes Asia 200 Best Under A Billion Companies 2023, this recognition highlights our outstanding quantitative and qualitative corporate performance in the Asia-Pacific region. Ranked in the top 1% of 20,000 listed companies in Asia, this distinction underscores our excellence.

CUSTOMER TESTIMONIALS

Dr Arun Notaney

CEO and Founder,
GP Automate

"Datamatics has been an excellent partner in this solution and we look forward to utilizing the artificial intelligence that they have built into Datamatics TruBot to further enhance automation within our industry of the NHS in the UK."
