CUSTOMER TESTIMONIALS

Jonathan Stevenson

Finance Transformation
Director, Incora

"Since the implementation of Finato, we've received excellent feedback from the entire organization. We found it to be a lot more intuitive, the look and feel is also really fresh. We appreciate the involvement by the Datamatics team and thanks to them for providing a modern updated system."

WATCH NOW

Jason Fill

CEO / CTO,
Smarter Services

"We chose Datamatics to outsource all of our HR needs for our live

online proctoring, it's been tremendous. The outstanding thing about Datamatics is they handle everything from A to Z."
