CUSTOMER TESTIMONIALS

Jason Fill

CEO / CTO, Smarter
Services shares

"We chose Datamatics to outsource all of our HR needs for our live online proctoring, it's been tremendous and we're very pleased with the service that's been provided. The outstanding thing about Datamatics is they handle everything from A to Z. We trust them to carry out our business and for that reason I would absolutely endorse and suggest using Datamatics if you're looking to outsource any process at your organization."

Jeffrey Hughes

Deputy General Manager,
Mitsui & Co (USA), Inc.

"Datamatics' TruCap has been a game-changer for our automation processes. We're also implementing Datamatics solutions to automate AP processing, to solve an invoice problem we've been facing. Working with Datamatics has been a positive experience, with excellent sales and technical support teams who have met all our scheduling and communication needs."
